RESPONSE AFTER FINAL REJECTION

Sir:

This is in response to the United States Patent and Trademark Office Action mailed December 28, 2001, and following an Interview held with the Examiner in relation thereto, which response is being made on or before March 28, 2002, and for which no extension fees are due. Please amend the above-identified application as follows:

In the Claims:

Please cancel claims 54-47 and 59-70.

Please add new claims 71-73, as follows:

But 71
E1

71. (New) A biological preparation for use in vivo comprising, ex vivo, cells in suspension and a purified mammalian heparanase enzyme being externally adhered to said cells, thereby increasing a natural amount of heparanase externally adhered to said cells, so as to enhance
